

ATTACHMENT 3 : Rubbish Nett Project At Kg. Numbak

**Kampung Numbak from the boat view**

**The main Economics Activity**

Kampung Numbak is one of the village where most of our students hail

Culture of the Community at Kampung Numbak

On Board to School

LITTERS AT KG NUMBAK FROM WHERE OUR STUDENTS HAILS

THE MAIN TRANSPORTATION MODE OF THE STUDENTS TO SCHOOL

THE SCHOOL ENTOURAGE WHO HAVE PARTICIPATED IN THE CIVIC PROGRAMME TO EDUCATE THE VILLAGERS ON NO LITTERING CAMPAIGN

The group of students

THE RUBBISH NETT IS PREPARED

THE NETT IS FLOATABLE

Rubbish Nett is pulled by the students

Rubbish Nett collects the floating litters

Rubbish Nett

The rubbish net is very useful to help clean the area

The Rubbish Nett mechanism can be improve to make it more user friendly, for example attaching it to a boat so the students will not have to pull it in the water

THE COLLECTED LITTERS COLLECTED BY USING RUBBISH NETT
