- l) Miss Orraya Promdaung

### **1. Title of the school's programme**

Promoting Morality Management Plan (PMMP) and Activities of Dongmafaiwittaya School in Sakon Nakhon, Thailand.

### **2. Summary of the programme (a half to one page A4)**

The Long-term period for this programme is five years and it was started in 2010. At the end of the five year project it will be evaluated. The one-year, short-term programme taken place during the 2012 school year.

During the 2012 academic year, Dongmafaiwittaya School prepared the Promoting Morality Management Plan (PMMP) and Activities plan in school. This PPMM was met, prepared and activities were organized which include the implementation of educational programme with the participation of students, parents, teachers and community members. The monitoring, evaluation and improvement of all the PMMP activities will be conducted on regular basis.

The implementation of PMMP includes five activities listed below:

1. Meeting and Formation of Promoting Morality Management Plan (PMMP)
2. Preparing and organizing positive ethics and response activities of Promoting Morality Management Plan (PMMP)
3. Education orientation for PMMP members
4. Activities to promote Morality among students, parents, teachers and community members.
5. Monitoring, evaluation and improvement of all the PMMP activities mentioned above

### **3. Background information or reasons why the school created this programme**

In the present time, society is diverse and is constantly evolving due to the advancement of science, technology, information and data which spread quickly to support the lifestyle and individual values in a changing society. Deviations from a good ethical principle of Buddhism may hinder social development in other areas, particularly the development of the psychological causes of the problem of lax morality. The conduct to seek his own interests rather than help resolve various social problems such as corruption in Thailand, drug problems, divorce, and problems with the student (what problems), issues regarding homosexuality, the lost passion in vice, unrestrained, lack of discipline, dependence on luxuries and many more. It is important to makes early so not to affect the stability of the country.

Dong Ma Fai village is a majority Buddhist Community. The Culture of Buddhist life is always make merit on the important Buddhist days. The village encourages students, parents, teachers and community members to behave principles traditions and rituals associated with the community along. It also encourages them to learn and practice the good deeds, to help each other, and care for one another as brothers or sisters in the same family. The objective for everyone to live together in a happy and connected society.

The Promoting Morality Management Plan (PMMP) and Activities of Dongmafaiwittaya School in Sakon Nakhon, Thailand aims to cultivate and increase morality to all concerned, starting from school and involving teachers, students, parents and community members.

#### 4. School vision, mission and core values

School Vision: To be the best school in the district with excellent educational standards.  
To also be at the forefront in the promotion of community values and development in area.

School Mission:

1. Accelerate the physical learning environment, administrative and academic.
2. Improve school buildings and landscapes around the school to have a clean, safe, colourful and warm environment with hygienic and adequate toilet facilities
3. Improve and develop the 3 great libraries and learning resources.  
Utilise ICT and Computer systems to enhance teaching methods and improve the learning experience. Efficiently including the establishment of a professional learning community and sports center for service to the community.
4. Improve students' skills and the ability to use tools for the pursuit of knowledge.  
This is to promote critical thinking, moral consideration, interest in knowledge and Education, and a passion for the uniqueness of Thailand. To instil in students the awareness to allow them to reject vices such as drugs and favour love and career.
5. Encourage students, teachers and staff to use learning resources in and out of school by using ICT teaching effectively.
