Southeast Asian
Ministers of Education Organization

Vision:

SEAMEO – a dynamic, self-reliant, strategic policy-driven and internationally recognized regional organization for strengthening regional understanding and cooperation in education, science and culture for a better quality of life.

Mission:

To enhance regional understanding and cooperation and unity of purpose among Member Countries and achieve a better quality of life through: the establishment of networks and partnerships; provision of an intellectual forum for policy-makers and experts; and the development of Regional Centres of Excellence for the promotion of sustainable human resource development.

SEAMEO

We are a government-driven, multi-national organization that has served the Ministers of Education of Southeast Asia for over 30 years in their need to exchange ideas, develop workable national education strategies, and train administrators for such systems.

We are moving toward becoming the most important consulting, training, research and learning materials development provider in the areas of education, science and culture in Southeast Asia.
