Mr Jeroen Prinsen

Regional Director for Asia Pacific
QS (Quacquarelli Symonds)
United Kingdom

Jeroen heads the commercial operations for QS Quacquarelli Symonds in the Asia Pacific Region. As the head of APAC, Jeroen oversees the regional customer facing teams engaging in QS Services to the Higher Education sector and associated businesses.

Jeroen works across the QS portfolio to ensure customers are able to achieve their strategic goals on a world scale through Analytics, Performance, Recruitment & Reputation building services.

Previously Jeroen operated a leading performance and analytics business in the APAC region and has over 20-year experiences supporting Universities, Governments & Businesses operating in the Research & Commercialisation Ecosystem across Europe, the Middle East and Africa in addition to Asia.

Jeroen holds a Bachelor of Science in Astrophysics from Queen Mary University, UK.
