

BIO DATA

Ms Natnapin Phadungpattanodom

Feminist Research and Campaign Assistant, Manushya Foundation, Thailand

Ms Natnapin is an intersectional feminist youth who has been advocating for gender equality and democracy since university. Most of her works are to empower people and amplify the voice of marginalized people by the use of media and campaign. Currently, she is working on translating useful materials about gender, women's rights, LGBTQIA+ rights, and others that are still lacking in Thai language.
