

Yu Lu received the Ph.D. from National University of Singapore in computer engineering. He is currently an Associate Professor with the School of Educational Technology, Faculty of Education, Beijing Normal University (BNU), where he also serves as the director of AI Lab at the advanced innovation center for future education (AICFE). He has published more than 80 academic papers in the prestigious journals and conferences (e.g., IJAIED, IEEE TKDE, IEEE TLT), and serves as the PC member or track chair for multiple international conferences (e.g., AIED, EDM, AAAI, ACL, EMNLP, IJCAI). Before joining BNU, he was a research scientist and principle investigator at the Institute for Infocomm Research (I2R), A\*STAR, Singapore. His research interests mainly sit at the intersection field of artificial intelligence and education.
