Name _____ Section _____ Date _____

TOBACCO USE OBSERVATION SKILLS

Directions: Starting after school you are going to keep a running count of how many people you see smoking in your community. Your job is to list the place, the time, the type of event, and how many people you see smoking as well as the estimated age and gender of the people you observe.

Other places you can observe:

- Sports events
- Restaurants
- Actors in the movie you are watching
- Actors in the TV program you are watching
- An ad (Specify what kind of ad such as the name of the magazine or newspaper or better yet bring it in to class.)
- People driving.
- At home (Specify inside or outside and where)
- People outside anyplace you see them. (Describe where.)

SMOKING OBSERVATION

DAY/DATE and TIME: _____

PLACE: _____

What are people doing there? _____

How many are smoking? _____

Description of people (include information about who they may be with such as another adult or child): Adult Male _____ Adult Female _____ Teens _____ Male _____ Female _____

COMMUNITY CONNECTIONS

Research how the laws have changed for smoking in public places. Write to a local Congressman strongly urging him/her to increase penalties for smoking in public places and cigarette sales to minors.
