SEAMEO-Japan ESD Award

Theme for 2016:

Saving Energy

Submission Deadline: 25 November 2016

Call for Entries

If your school has implemented activities/programmes to
REDUCE ENERGY CONSUMPTION within the school -

You are invited to participate in the

“2016 SEAMEO-Japan Education for Sustainable Development (ESD) Award”

This will give entrants the opportunity to be recognized as a model of best practices in Energy Conservation and to promote Education for Sustainable Development across Southeast Asia.

All public, private and vocational and technical schools in Southeast Asian countries are invited to join the competition.

Prizes for the winning schools:

- 1 1st Prize - US\$1,500 and a study tour to Japan for 4 days
- 2 2nd Prize - US\$1,000
- 3 3rd Prize - US\$500
- 4 A special prize from the SEAMEO Secretariat for the best activity carried out in small schools of less than 250 students - US\$1,000 (see details in the website)
