

Warm regards to all SEA-Teacher-TVET Lecture Series.

Hi! My name is Mich Thavry. I am from Don Bosco Hotel School, Sihanoukville **Cambodia**.

Present, I work as Operations Manager at Don Bosco Hotel School also a teacher '**majoring in Front office department**'.

I would like to say thanks to **SEAMEO**, very interested with your lecture series and very practical tips for development. I am really grateful for this opportunity to gain insights on how the different courses such as tourism, marketing, digital technology and production to the changes brought about by the pandemic through innovations.

I have successfully submitted the template on certificate Validation and Assessment.

Once again, Thank you so much!
